

Look after kids ears

Kids who have good living conditions (good food, no smoking, not too many people living in house, clean clothes, sheets and blankets) get sick ears less

It is easier for people with good hearing do better at sport and do better at work to keep their job.

Kids who have healthy ears have good hearing.

Kids with good hearing can learn better and get on with other people better.

it is easier to be confident and keep happy with good hearing.
